Workshop on Model Theory and Operator Algebras
Münster, 7.–11.7.2014

Many of these are service talks.
If you're interested to contribute let us know.

SRZ 117, new new building

Breaks are breaks.

Coffe in SR0, ground floor, tall building

Open sessions could be used to review talks,
to identify open problems,
and to prove or disprove theorems.
Anything distracting us from checking email..
SRZ 117 (new new building)
and SR0 (tall building).

More or less related activities some of you
might like to attend.
